Potential Discussion Questions

Potential Discussion Questions

- What do you think about the suspension bridge analogy for FG structure?
 - Pillars - life, word, prayer
 - Cables - group autonomy
- Here are the evaluative questions Todd challenged us with. Consider discussing some of them as a group.
 - Read Acts 2:42. Are we devoting ourselves to these things?
 - Read Acts 2:43. Are we awed by the work of the Holy Spirit?
 - Read Acts 2:44-45. Are we reflecting unity and sacrifice?
 - Read Acts 2:46a. Are we regularly spurring each other on in fellowship?
 - Read Acts 2:46b-47a. Are we grateful, generous, and praising God?
 - Read Acts 2:47b. Are we winsome?
 - Read Acts 2:47c. Are we expectant that God will save?
- Another way you could discuss the passage would be to read the whole passage together and ask some of the following questions:
 - What principles does this passage call us to?
 - Where are we living up to these principles, and where are we falling short?
- Potential application: Pray together that we would expect the Spirit to move.
